

Bhajanamritam Android App : Frequently Asked Questions (FAQ)

1. What does the Bhajanamritam App do ?

Bhajanamritam App contains lyrics of all 1,500 bhajans from Bhajanamritam Volumes I to VI and from Supplements 2012 to 2015.

You can instantly search among 1,500 Bhajans.

Warning : Sometimes you may find difficulty in searching few bhajans (Refer Qn. 6).

2. Is there a trial version for the Bhajanamritam App?

The trial version of the App can be tested by installing it from the link provided. This will only show some sample bhajans.

3. How can I buy the Bhajanamritam App?

The Bhajanamritam App for Android Mobile can be purchased online for Rs. 2,000/- from Amrita Store website (<http://www.amritastore.com/>). During the time of payment, buyer has to enter their personal email id which is used on the mobile. Once you get registered with your email id, you will be receiving a mail indicating your payment is done.

This email id is used to check that the user has a valid license for using the app. The user should be logged in the mobile with this registered email id.

Your App will be usually activated within one working day.

4. How do I install the App?

The App is installed by clicking on the link provided (same as trial version).

Note: The app is currently available only for the Android mobiles. iOS version will be released soon.

5. Does the App need internet to work?

The user email id is entered into the database, and is verified when the user opens the App on the mobile. After installation, the user can stay offline. User should connect to the internet at least once in a month, and validate the license. Otherwise, the license will be suspended and only sample bhajans are listed.

6. How does the “Search” feature for the bhajans work ?

Instant search on bhajans can be done with simple keywords. But some bhajans may find difficulty to search. Hence you can try with few possible combinations, as some words are spelt differently in different places.

- **Eg : 1:** Jai/ Jay
- **Eg 2:** Ganesa/Ganesha
- **Eg 3 :** Siva/ Shiva
- **Eg 4 :** Krishna/ Krshna/ Krsna etc..

7. Can I run the App on multiple devices?

One license with a specific email id will only support one single device. If App is needed for multiple devices, another license needs to be purchased with a different email id.

8. What happens if I change my mobile device?

If the email id is the same on a new device, the app will usually work automatically on the new device and complete list of bhajans can be viewed. However, the license on the old device will be revoked.

9. How will I get new Bhajans in the future ?

There will be regular updates every six months or in a year, when latest bhajans gets released. Minimal charges will be applicable for adding new bhajans. In future, more features will also be added to the app.

10. What are the Licensing Policies that I am bound with, after my App purchase ?

During the purchase of Bhajanamritam Android Application, you have to accept and agree the following Bhajanamritam License Agreement.

You may not:

- Rent, lease, sub-license, loan, translate, merge, adapt, vary or modify the App or Documents;
- Make alterations to, or modifications of, the whole or any part of the App, or permit the App or any part of it to be combined with, or become incorporated in, any other programs;

11. How long does my Licensed App valid for ?

Your licence is valid for your lifetime. But you need to connect Bhajanamritam app to internet atleast once in a month for verification purpose.

If the app is not connected to internet for one month, you will be able to access only trial version of the app with some bhajans until you connect to internet next time.
